WASHINGTON, D.C. 20231

AMENDMENT IN RESPONSE TO PAPER NO. 4

This amendment is submitted in response to the restriction requirement, dated January 25, 2001, for which a one-month period for reply was set, making a response due on or before February 25, 2001. Applicants herein petition for a one-month extension of time, and submit the required fee, making the response due on or before March 25, 2001.

Please amend the application as follows:

In the claims:

Please cancel claims 1-16.

Please add the following new claims:

- SUB B1*
17. (New) A method of blocking binding of a chemokine to a receptor for the chemokine on the surface of a cell, comprising contacting the cell with a M3 protein, or a homologue thereof, thereby blocking the binding of the chemokine to the receptor.
18. (New) The method of claim 17, wherein the chemokine is a CXC, CC, C, or a CX3C chemokine.
